125 mm GM 13Y

Easy
Grinding
Close to Walls

Easy Grinding Close to Walls

1 Folding Cover for Working Close to Edges

The folding cover segment, can be opened with a single touch and allows for grinding close to edges.

2 Powerful Motor and Adjustable Speed

The **1,900W powerful motor** and adjustable speed settings ensure maximum productivity. The speed is adjustable with a speed adjustment wheel to suit the application and remains almost constant even under load.

3 Durable Safety Guard

The aluminum die-cast guard makes the tool particularly robust.

4 Optimal Dust Extraction

The spring-mounted ring brush provides a high suction effect.

5 Tool-less Adjustable Handle

The ergonomically shaped, tool-less adjustable loop handle supports a comfortable posture while working.

6 Cleaner and Safer Environment

The tool can be connected to HIKOKI dust extractors for a dust-free working environment.
